### "WELCOME"

Welcome, Welcome, that's a Mother's prayer.  
Welcome, Welcome, you hear it everywhere.  
Many a long and weary day  
Mother has passed since you went away,  
But she's waiting with a welcome for you there.

"Welcome is a lifting Waltz refrain, and it expresses the hope of millions.

### "The Hearts of the World" Love Canada

The hearts of the world love Canada,  
They're admired the whole world o'er,  
And those hearts love the men of Canada  
For bravery in this War;  
And the hearts of the world praise Canada,  
With her prairies and stately trees,  
Yes, the hearts of the world thank Canada,  
From pole to southern seas.

"The Hearts of the World" is the sweetest story ever written. Its melody is stately and possesses an irrealistic swing.

### "Hats Off to the Flag and the King"

It's the flag that will protect us,  
It's the dear old red, white and blue;  
For we'll live for it, we'll die for it,  
For our home and our country, too;  
So come boys, give three British cheers,  
And let your voices ring.  
Whil'st the Maple Leaf is our emblem dear,  
Hats off to the Flag and the King.

"Hats Off To the Flag and the King" has an excellent group of words with a superior martial air.

### "FLYING"

Flying, Flying, 'way up in the air,  
Always a smile and never a care,  
Thousands of miles from ev'rywhere,  
Spooning, honey mooning, what a joyous flight!  
No more trouble and no more care  
When you're Flying 'way up in the air.

"Flying" is a haunting waltz melody which fascinates with every additional hearing.

### "TAKE ME BACK" TO DEAR OLD CANADA

Take me back, take me back,  
Take me back to dear old Canada,  
Where the wild Canadian rose  
And the four-leaf clover grows.  
Take me back, take me back  
Where the crimson creeper climbs,  
And the morning glories twine 'round the vine.  
Take me back to Canada.

This Song needs no introduction. It is now one of the biggest Hits on the market.

### "HOME AGAIN"

Home again! Home again!  
That's the song we love to sing;  
Gather round, gather round,  
Come, let your voices ring;  
We'll sing the old-time melodies,  
The songs that bring back memories;  
Home again; Home again!  
That's the song of the world to me.

"Home Again"—featured by The Shrapnel Dodgers and other returned heroes, is the best home song ever written. The sale of this song has broken all Canadian Records.
