"SOME DAY, SWEETHEART, SOME DAY," GUS EDWARDS' latest semi-high class ballad, (issued for high, medium and low voice), is undoubtedly the best that this gifted and versatile composer of popular melodies has offered to the public in years. It contains a poem of unusual charm and merit, with a blending of pure sentiment that makes a direct appeal to the heart. The chorus is haunting and lingering, and grows on one, like the dawn of a bright summers day. Critics who have heard the song predict for it an even greater vogue than Mr. Edwards' famous **"School Days," "See-Saw," "If a Girl Like You Loved a Boy Like Me," "I Just Can't Make My Eyes Behave,"** etc. The song should find a welcome in any home where music of the better sort is enjoyed. Try it over on your piano; you will surely like it.

Some Day, Sweetheart, Some Day.
