- > 14 Video
- > 32 Transcripts
- > 11 Notes
- > 4 Google Forms
- > 4 Survey's
- > 3 Google Slides

Relational Power Dynamics

To understand how differences in power between participants and/or facilitators shaped the solutions that were suggested.

Time and Labour

We want to understand the time and labour necessary for accessibility in WIL for both professionals and students. This will help shape the solutions we work on.

Design Solutions

Explore the solutions suggested by participants to gain a better understanding of the problems with accessibility in WIL to ensure interventions address the root issues.
