### LEEP Meeting Poster – October 2021

Shared April 2021

#### Summary

Part of AcTinSite research aims is to ensure the work done is valuable to specific stakeholders. To have input from stakeholders, we set up an expert panel, who would meet a few times a year. Our main expert panel is for two stakeholders. The first is in, or recently graduated, from a program with work-integrated learning. The second stakeholders are disabled students or students with a disability. This poster was created to notify LEEP members about the meeting in October 2021.
