Chorus

Boys fall in, the guns are roar-ing, Bri-tish hearts are with-out fear, while

shot and shell ar-round us fall, we'll raise a Bri-tish cheer!

Our Boys have crossed the ocean blue, to show to all mankind.
 That when Britannia is assailed, not one will stay behind.
 God speed you, lads, Your hearts are true,
 For King and Queen and Crown.
 Our hosts will strike with might and main, until the foe is down.
