"I'D LOVE TO LIVE IN LOVELAND WITH A GIRL LIKE YOU"

By W. R. WILLIAMS, the man who wrote "Gee! but there's class to a girl like you"

In this song we have one of those that will pass the "Million copy" mark. How do we know? Well! It's our business to know and it's a positive fact that during this year 1911 we will sell to the American public not less than a million copies, and most likely a great many more. W. R. Williams has been writing song "hits" for over twenty years. He knows what the people want and he has the ability to give it to them. **"I'd Love to Live in Loveland With a Girl Like You,"** is a beautiful song and so simple, sweet and pretty, that a child can sing it. Within the year it will be hummed, sung and whistled from Coast to Coast, making millions of hearts beat lighter, the greatest boon to humanity. Have you ever known that indescribable joy—making others happy? If not, you have not lived. A song like this **"I'd Love to Live in Loveland With a Girl Like You,"** is positively part of the world's sunshine and I'm sure if you could sing this song to an audience of five-thousand people, as I have time and time again, and would watch the sea of happy smiles before you, you would be just as enthusiasitic as I am and you would *then* understand why *this* kind of popular song does so much good in the world.

"KELLY'S GONE TO KINGDOM COME"

Of all the "Kelly" songs, we think this the best. It was originally written in England by well-known writers over there and introduced in America by Maud Lambert in Lew Field's big production **"The Midnight Sons."** It's a great comic ditty and with plenty of good laughing verses. If you enjoy a "good comic" you'll enjoy **"Kelly's Gone to Kingdom Come."**

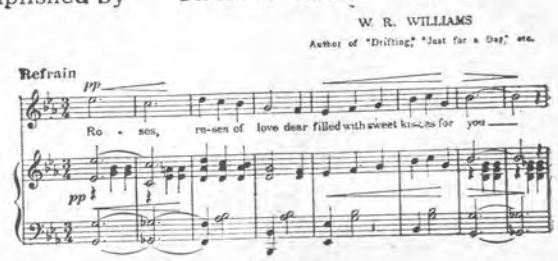

"ROSES OF LOVE"

By W. R. WILLIAMS

In this new song which many able critics say is by far the best W. R. Williams has ever written; he has tried to emphasize the wonderful benefit to be derived from the association with flowers and particularly **"Roses"**. He says all through life he has seen so much accomplished by "flowers." A few flowers will succeed when all other means will fail. **"Roses of Love"** is really a beautiful semi-high-class ballad and one that will be a standard home-favorite. It contains a beautiful thought, artistically handled and will touch the "soft spot" in every heart—surely you will send for a copy to-day.

The Kind That Live Forever.

"LEAF BY LEAF THE ROSES FALL"

By Beth Slater Whitson and W. R. Williams

Another beautiful poem by that "Soul" writer Beth Slater Whitson, who has cheered the millions with her **"Meet Me Tonight in Dreamland."** This new composition is most sentimental and with a W. R. Williams melody is simply irresistible and we predict for this song a wonderful success. It contains everything that you like in a "heart to heart" ballad. Even the title-page is a "gem."
