Champlain's Historic Route, 1615. 34 miles canal; 236 miles of connected lakes and rivers. No tolls for locks. Draught—Trenton to Peterborough, 8 feet; to Orillia, 6 feet; Orillia to Georgian Bay, boats 13 ft. 6 in. beam, 4 ft. 6 in. draft; Trenton to Lake Simcoe, 118 ft. draught, 33 ft. beam.

Miles		
0	**Trenton**	—Entrance from Lake Ontario.
31	**Campbellford**	—Visit the power development of the Hydro Electric Power Commission. A short side trip of scenic beauty.
51	**Hastings**	—Passing through Hastings, one makes Rice Lake, noted for its natural feeding ground for wild fowl. A visit to "Serpent Mounds," the burial ground of the historical Indian tribes, should not be missed.
89	**Peterborough**	—A city of thriving industries. The Hydraulic Lift Lock is a unique feature of the North American continent. Lift 65 feet.
	Kawartha Lakes	—Unlimited opportunity for cruising. The myriad isles suggest the interpretation of Kawartha, "Bright Waters and Happy Lands," a transcending picture of loveliness. The fighting and voracious bass abounds, and muskinonge keeps the table filled.
136	**Bobcaygeon**	—The haunt of sportsmen and the mecca of holiday seekers.
155	**Lindsay**	—A side-trip up the winding Scugog River, and on to Lake Scugog, frequented by the cottager.
161	**Coboconk**	—Near Balsam Lake, 814 feet above sea level, in the midst of the Highlands of Ontario
166	**Kirkfield**	—Hydraulic Lift Lock, lift 48 feet. A popular resort, where the summer evening resounds to the tuneful pipe and the merry dance.
195	**Orillia**	—A town noted for its beauty and hospitality. Situated between the broad expanse of Lake Simcoe and Couchiching, at "The Narrows."
	The Severn River	—Negotiated by two marine railways at the Ragged Rapids and Big Chute.
232	**Midland**	—12 miles from Port Severn, the Georgian Bay exit. The terminal of the Great Lakes trade and the 30,000 Isles scenic tours.
