LET ME CALL YOU SWEETHEART

By LEO FRIEDMAN and BETH SLATER WHITSON

This is the new song sensation by the writers of "Meet Me To-Night in Dreamland" and from present indications will be the biggest song hit this Country has ever seen. In addition to having the prettiest melody you have ever heard, it has the most beautiful title-page ever printed on sheet music. The cover is in colors, reproduced from original painting by one of the well known artists of the day, and the miniature shown here can give you only a faint idea of the real beauty of the title-page itself. Be sure you get a copy of this song at once.

Let Me Call You Sweetheart
