THERE WILL BE A FIFTEEN MINUTE INTERMISSION. Patrons are reminded that smoking and cameras are not permitted in the theatre.

I spent ages trying to come up with a Directors' director's note but nothing seemed right and I finally figured out why: everyone who has put in time, effort and dedication over the past five weeks, should get their own little space in the program to be profound. I know that means instead of a program we would have a book of quotes. Since that can not happen, the only thing I can reasonably contribute as my own is: thanks for a wonderful time.
