John Newlywed was waiting for the stork to bring an heir
Out came the nurse and said Two storks have just brought you a pair
Oh! there's more storks a-circling 'round, I think they're gonna light
There's gonna be a hot time for the poor old storks tonight
Shut The Door, They're Comin' Thru The Window. etc.

My wife went in for rabbits and she kept them in a hutch
She only bought two rabbits and it didn't seem like much
One morning when we looked at them how they had multiplied
A million rabbits jumped right out and all the neighbors cried
Shut The Door, They're Comin' Thru The Window. etc.

The first week we were married my dear wifie said to me
'I'm feeling oh! so lonesome for my darling family
Why not invite them for a while, we've lots of room to spare?
They eat me out of house and home, they're getting in my hair
Shut The Door, They're Comin' Thru The Window. etc.
