Your eyes grow dim and your head starts to swim and then you
I feel so strange and I know by this change that he is

stare,
near,
From your head to toes,
Seems I've got to stay

that strange feel - ing flows, Then your eyes will close, and you start to doze,
and I must o - bey, For I hear him say, you are mine to day,

(*Spoken ad lib*)

With his hands he just com - mands you sleep, sleep, sleep, sleep.
While his eyes grow twice their size you sleep, sleep, sleep, sleep.
