

Student Competency Framework – ESL 1010

Course Terminology	Understand and use linguistic structures, rhetorical patterns and vocabulary appropriately.
Course Concepts	Accurately recognize, breakdown and employ characteristics of various genres of written material.
KNOWLEDGE ACQUISITION	
Information Literacy	Effectively evaluate the accuracy, perspective, and validity of different media and cite sources of information accurately.
Analysis	Consider different styles and patterns in language to identify main ideas from a range of texts and writing formats.
KNOWLEDGE AGILITY	
Self-Awareness	Display conscious knowledge of one's own character, feelings, motives, and desires as they relate to learning, expressing yourself and giving / receiving feedback in a new language.
Self-Determination	Demonstrate an ability to take ownership of both their learning process and the role they play in the learning process of others (through feedback), as well as their need to strategize ongoing independent development of academic literacy.
AUTONOMY & PROFESSIONALISM	
Communication	Express yourself effectively in the communication of ideas, by creating fluid arguments and clear content that meet reader-centered expectations.
Critical Thinking	Observe and analyze different situations and written texts to distill key ideas and form a reasoned argument that makes sense and ties in course concepts.
INTERACTION & COLLABORATION
