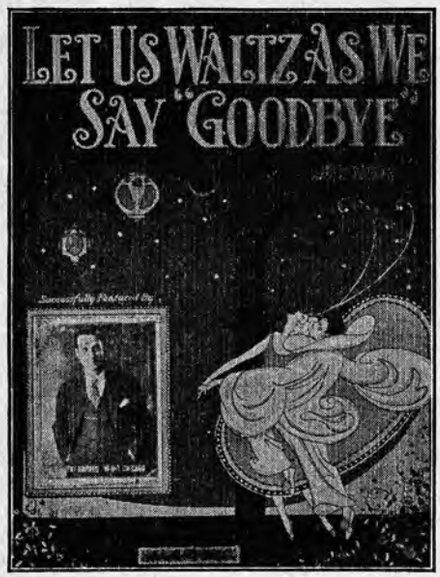
THE ONE SONG YOU WILL NEVER FORGET



"LET US WALTZ AS WE SAY GOOD-BYE"

EVERY few years in the popular music business there comes into popular favor what is called a "natural hit." A "natural hit" is a song that seems to have **everything** that the Public is looking for and although no one can describe that "something" that a song must have to be a "natural hit," still everyone realizes the song has it when they hear it.

"Let Us Waltz As We Say Good-bye" is admitted by everyone to be **the** "natural hit" of the year. It became a popular hit almost over night and no other song in recent years has met with such instantaneous favor.

Of course, when you hear it you will realize the reason. Seldom you find such wonderful words coupled with such beautiful and bewitching melody. Can't you just imagine a couple of young lovers, just before a separation, dancing the last dance of the evening to this wonderful melody and singing the words to each other? Is it any wonder this song is causing such a sensation? We predict more copies of this song will be sold than any other song in the last ten years. Get your copy the very next time you're near a music counter. It has a Ukelele accompaniment right on the regular piano copy.
