Cherry Blossoms

Three-Step Caprice

By EMMA I. HARTE

We know of no other instrumental number published in years that has taken the public's fancy as this dainty little one is doing today. From all directions we are receiving letters of appreciation from those who are playing it. We hope you will get a copy at once. Also published for Band and Orchestra.

LOUISIANA RAG

Tempo di Rag

by LEON BLOCK

The musical score for "Louisiana Rag" is written for piano and left hand. It consists of five systems of music, each with a grand staff (treble and bass clefs). The key signature is one sharp (F#), and the time signature is 2/4. The first system begins with a forte (*f*) dynamic and a left hand (*L. H.*) instruction. The second system starts with a mezzo-forte (*mf*) dynamic. The score includes various musical notations such as eighth and sixteenth notes, rests, and accidentals. The final system concludes with a first and second ending bracket.

The musical score is arranged in six systems, each consisting of a piano (P) and organ (O) part. The key signature is one sharp (F#), and the time signature is 4/2. The piano part is characterized by dense, often octaved, chords and arpeggiated figures, while the organ part provides a more melodic and rhythmic accompaniment. The first system begins with a fortissimo (ff) dynamic. The second and third systems include markings for '8va' (octave) and 'loco' (loco). The fourth system starts with a mezzo-forte (mf) dynamic. The fifth and sixth systems continue the intricate musical dialogue between the piano and organ. The score concludes with a final cadence in the sixth system.

TRIO

The musical score is arranged in five systems, each consisting of a piano (treble) staff and a bass staff. The key signature is one flat (B-flat), and the time signature is 2/4. The first system begins with a forte (*f*) dynamic. The second system starts with a piano (*p*) dynamic and includes an *8va* marking above the piano staff. The third system features a key change to two sharps (F# and C#). The fourth and fifth systems continue the piece with various musical notations including chords, eighth notes, and slurs. The score concludes with a final chord in the fifth system.

First system of musical notation, measures 1-4. The key signature has one flat (B-flat). The first staff (treble clef) begins with a forte (*f*) dynamic. The second staff (bass clef) features a melodic line with eighth notes and rests. The music is in 4/4 time.

Second system of musical notation, measures 5-8. The first staff continues with chords and melodic fragments. The second staff has a melodic line with eighth notes, including a triplet marked with an '8'.

Third system of musical notation, measures 9-12. The first staff begins with a fortissimo (*ff*) dynamic and contains dense chordal textures. The second staff continues the melodic line. An octave sign (*8va*) is placed above the first staff in measure 10.

Fourth system of musical notation, measures 13-16. The first staff continues with dense chordal textures. The second staff continues the melodic line. An octave sign (*8va*) is placed below the first staff in measure 13.

Fifth system of musical notation, measures 17-20. The first staff continues with dense chordal textures. The second staff continues the melodic line. An octave sign (*8va*) is placed below the first staff in measure 17. The system concludes with a double bar line.

THE FIRST BIG INSTRUMENTAL "HIT" FOR 1911

WEDDING BELLS RAG

BY AL. B. CONEY

WEDDING BELLS.
RAG.

To Whom it May Concern!

I am going to spend \$10,000.00 to Popularize the "Wedding Bells Rag" so you know what I

must think of it. Of the thousands of manuscripts that I hear I picked this one as a winner. Now then it remains to be seen if my opinion is correct. I know I have thousands of friends all over this country who are going to get a copy of this two-step and "boost" it along; because they will see, just as I do, a great deal of real merit in the composition. Next time you go to a dance insist that the orchestra play it and convince yourself and friends that it's a "hit."

Chimes at Twilight.

Reverie.

playing the first eight bars, the chords should be played very staccato.

CHIMES AT TWILIGHT

REVERIE

by R. G. GRADI

British Copyright Secured

Copyright, MCMX, by Will Rossiter, Chicago, Ill.

All Rights Reserved.

This little number has only been out a few weeks and has sprung into popular favor at once. The Introduction is a novelty being an imitation of CHURCH CHIMES and if played as the notes are written you can produce on any piano the exact effect of CHIMES. You may have heard this done on the Stage, but this is the first time it has ever been made possible for you to "do the trick." Besides the novelty this Reverie is a very pretty and interesting composition. Don't miss it! You can't afford to.
