And you'd like a kiss, from your pret - ty miss, Find a qui - et place that's
 She will blush and say, you must go a - way, Be it sun or moon that

dark;..... 'Neath the shel - t'ring trees, you will find at ease,
 shines;..... So be-ware of light, when you're out at night,

It's the prop - er place to spoon;..... When the pret - ty maid,
 And you want to spoon and spark;..... You will find it's not

won't seem so a - fraid, When she's hid - ing from the moon.....
 hard to find a spot, But be sure it is quite dark.....

CHORUS

Hide from the light..... of the sil - ver - y moon,...

When you're with the girl you love,..... It won't seem right, if you

spoon in the light... of the big moon up a - bove.....

It seems the moon al-ways bright-ly shines, When two lov-ers want to

spoon,..... But take my ad - vice,... it will be twice as nice,... If you

hide from the sil - ver - y moon..... moon.....
