"Someone Remembers Though The World Forgets"

It's a Song!

It's even more than a Song!

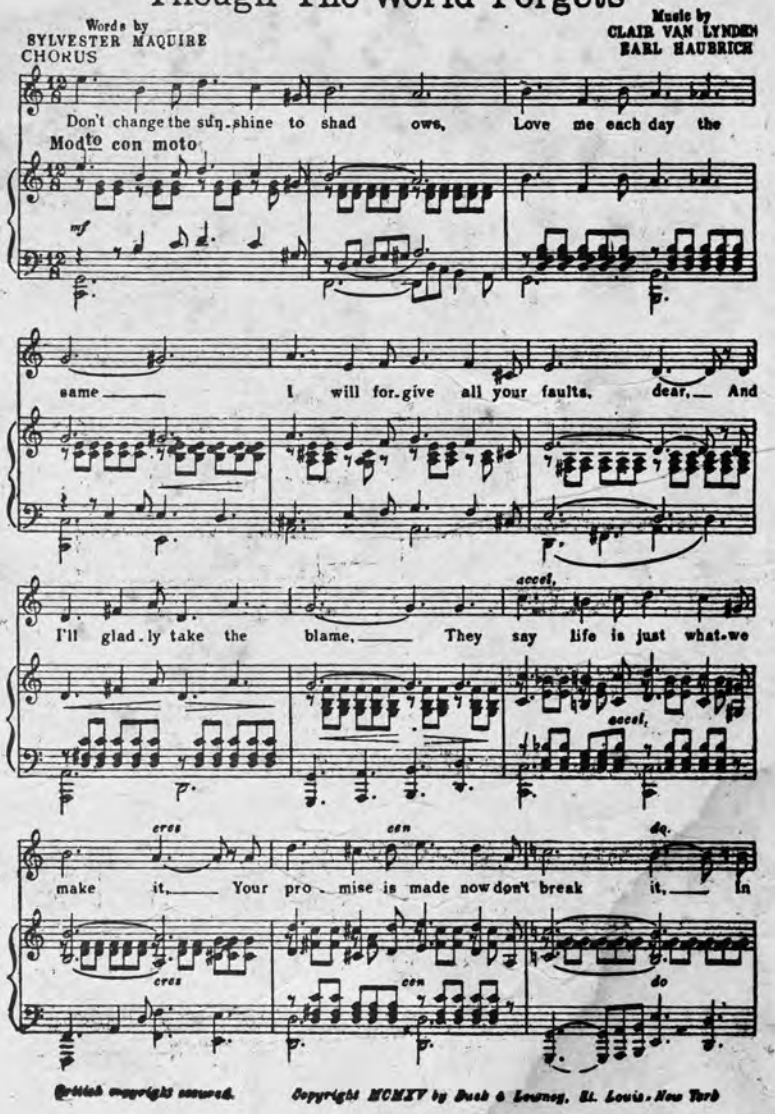
It has the same effect on one as does a ray of sunshine after a storm. It has all the qualities that go to make up a real ballad and it's by CLAIR VAN LYNDEN; this in itself is more than a recommendation; it's an obligation of true merit.

Play the thematic one time, then order a copy the next time you are downtown.

Some dealers may be out of it, so if that case arises, tell them to order it for you, or send fifteen cents to us direct.

It's good! It's Very Good!

IT'S GREAT!!!



BUCK & LOWNEY'S success is the means of your getting snappy music for very little money.

"SOMEONE REMEMBERS THOUGH THE WORLD FORGETS" is only one of the many beautiful ballads that have been published by BUCK & LOWNEY.
