Would you and I don't know

Till Ready

I build cas-tles high up in the sky and watch them tum-ble down?

— Could ev - 'ry dream we've known, — End with the first wind
— You seemed so sat - is - fied, — When you were by my

blown? _____ Could oth - er lips and oth - er eyes steal ev - 'ry
side. _____ I don't know who is steal - ing you, I on - ly

dream of Par - a - dise I've found? _____ You say we have to
wish that I could un - der - stand, _____ There's noth - ing we can't

part, _____ How could you break my heart? _____
mend, _____ This could - n't be the end! _____

CHORUS

You mean we're through? _____ How can you say we're through? _____
