What Mary Garden Wrote:

"Dear Mr. Silverwood:
I am proud indeed to
be the first to sing your
most beautiful song in
public—and I hope for
it a wonderful success
here in California and
everywhere!
Sincerely,
MARY GARDEN."

What Others Say:

"—it is most beautiful." CLEOFONTI CAMPANINI, General Director of Chicago Grand Opera Company.

"—a 'Big Ben' that arouses the sweetness in your soul and makes you see California in a new way."

"—the only folks who will not want it after they hear it are the spiritually cold and heartlessly clammy."

"—somehow, though you hardly know how, I LOVE YOU CALIFORNIA takes the kinks out of everyday business cares and smooths and makes straight perplexing social curves."

"—the first California song that really takes in all of California, that really reflects California."

"—as unassuming as a violet, as sweet as the light in baby-blue's eyes, as caressing as the love of The First Sweetheart."

"—a song for lovers, old and young, a message to hearts not feet."

"—the lost chords of My Senorita's guitar."
