fair? Will we find re - lief from sor - row,
Will there be more sun - shine there? For each love flow - er that will

SONG

Words by
HAROLD SIMPSON

Music by
HAYDN WOOD

Introduction

fair,
The silver nights bring soft delights
and life holds naught of care;

A little world of love for two,
where eyes are bright and hearts are true.

REFRAIN *Slowly*

gleams;
Nightingales sing to the moon,
Stars shining brightly above,

In that wonderful world of romance,
I am waiting for you, my love:
