Fox Trot Chorus

CHORUS

Over One Million Copies of This Song Sold

LET ME CALL YOU SWEETHEART

THIS is undoubtedly one of the most beautiful little waltz love-ballads ever written.

The melody was written by Leo Friedman, who was writing popular favorites as far back as that old song, "Coon, Coon, Coon," and who has since that time given the music lovers such tremendously popular airs as "Meet Me Tonight in Dreamland," "When I Dream of Old Erin," and numbers of others.

Mr. Friedman always claimed "Let Me Call You Sweetheart" was his most popular melody and the fact that more than one million persons have purchased copies seems to bear out his claim.

If you haven't a copy already, be sure you get one the next time you are near a music counter.

CHORUS

p-f

Let me call you "Sweetheart" I'm in love with you

p-f

Let me hear you whisper that you love me too

Keep the love - light glowing In your eyes so true Let me
