## Extra Verses

Bryan & Gumble

1

The suffragette question now worries the men,  
It's filling us all with alarm.  
When women get the ballot,  
She'll lose all her feminine charm.  
There'll be no more spooning at night in the groves,  
The men will be bashful, the girls will propose,  
Girls will call, have a talk with ma,  
The fellow will say, "Ask papa."

### Chorus

But she'll do the same thing over, over again, over again,  
She'll do the same thing over, over and over again.  
She will put on those high French heel slippers,  
She stand where the wind blows - and then  
She'll pretend she don't know he's enjoying the show,  
Over and over again.

2

Out to the ball ground you take your best girl  
To see a good game of ball.  
Will Matty put them over?  
This question, it worries them all,  
Will he put them over like he used to do.  
You would be happy if you only knew,  
Baseball fans take this tip from me,  
Matty'll be there, wait and see.

### Chorus

But he'll do the same thing over, over again, over again,  
He'll do the same thing over, over and over again,  
When the bases are full and you're worried,  
He'll tighten up quickly, and then -  
He'll turn right about and he'll strike them all out,  
Over and over again.

3

Maybe you're happy with your little wife,  
Sometimes you're sad when alone,  
But baby's bright eyes shining,  
Brings sunshine right into your home;  
The stork pays a visit each once in a while  
You thank him and bid him come in, with a smile,  
But when the stork brings you nine or ten,  
You tell him, "Don't come back again."

### Chorus

But he'll do the same thing over, over again, over again,  
He'll do the same thing over, over and over again,  
He'll tap at your window some morning,  
You'll open the lattice and then  
He'll shout, "Ship ahoy!" and he'll hand you a boy,  
Over and over again.

4

Down at the beach you get stuck on a peach,  
A face and a form that's divine,  
You pawn your watch and diamond,  
To show her a corking good time;  
You've got nothing left but the shirt you have on,  
If you had another you'd put it in pawn,  
You're dead broke, then she says, "Good bye,"  
"Never again," you will cry.

### Chorus

But you'll do the same thing over, over again, over again,  
You'll do the same thing over, over and over again,  
You'll go back to your job in the shoe store,  
Next winter you'll meet her and then -  
You'll go pawn your ring and you'll do the same thing,  
Over and over again.

5

Down to the race track you go with a smile,  
Joy beaming bright in your eye,  
Your pocket full of money,  
To pick a few winners you try,  
Horse you bet on cleaned up yesterday,  
Somehow or other it loses to-day,  
You walk home and you sadly whine,  
"Never again, boys, for mine."

### Chorus

But you'll do the same thing over, over again, over again,  
You'll do the same thing over, over and over again,  
You'll pick up the dope sheet next morning,  
You'll drop all your business and then -  
You'll ride down to the track but you'll have to walk back,  
Over and over again.
