"Hick Version"

By Marge Morton
2513 Willingdon Ave.
New Westminster, B. C.

I've seen the fairs
In our big town
The circus and the zoo
The ferris wheel and "hoo-chie" dancers too
We've had to be so sly
"By cracky" bye and bye
Our chance will come to do a thing or two.

Chorus

At Vancouver's Jubilee
Ezry and Ma you'll see
We can stay out 'til ten
But McGeer says we should all be home then
Now he may be "gan a'wa"
Let's hope he's in Ottawa for
Then we'll stay out until three
At Vancouver's Jubilee.

"Toast Version"

By Dolly Law
1462 Burnaby
Vancouver, B.C.

One hundred years and more have passed
Since Cap' Vancouver came
But ever since our city took his name
We're proud that we can boast
And prouder still to toast
The fifty years in which it sprung to fame So

Chorus

Drink to our Jubilee
Drink to the day when we
Stand feeling proud as punch
That we've come so far and we've got a hunch
The years just ahead of us
Will make wealth unanimous
So drink to our big civic spree
And our Golden Jubilee.

By Alf. Gueran
Steveston, B.C.

Vancouver is a city like I've never seen before
It started growing fifty years ago
The reason why I shout
You'll see without a doubt
Vancouver's time has come to make a show

Chorus

It's Vancouver's Jubilee
Let's all go on a spree
We must all sing this song
And boost Vancouver as we march a-long
So join in the gaiety and
Prove her stability
Don't wait too late to celebrate
It's Vancouver's Jubilee.

By A. G. Bowie
Smithers, B. C.

If things look bad why don't feel sad
And weighted down with woe
There's better times just 'round the bend you know
Why not forget the fears
Of past depression years
You'll find a silver lining if you go

Chorus

To Vancouver's Jubilee
Down by a sun-lit sea
Cares will be left behind
Let's forget our petty troubles and find
A Paradise in the West
Where friendship will stand the test
So cheer up smile and follow me
To Vancouver's Jubilee.

"Jewish Version"

By Larry Lincoln
2975 Oak St.
Vancouver, B. C.

Ah travelink salesman I am end
I've traveled every where
I can sell ev'ry tink from A to Z
Got idea whots a pip
Myself I'll take a ship
I'm going to Vancouver's Jubilee

Chorus

I'm goin' to de Jubilee
Sometink dere I can see
It's going to be ah time
When maybe I can make dere sure ah dime
De business has gone to H - -
But who knows and who can tell
De yokels may be dere for me
At Vancouver's Jubilee.

"Cockney Version"

By Edith Neelands
#5-2346 West Fifth Ave.
Vancouver, B.C.

I say owld fellow, did you heah
The news from 'way out west'?
It's going to be a jolly kind of show
I'd like to see a bea'h (bear)
I'll pay the beastly fa'ah (fare)
By Jove come on I'd really like to go

Chorus

In Vancouver could I see
Two 'Lions' smile down at me
I'll see that chap McGee'ah
For they tell me 'e is quite an owld dea'h
I'll take my gum-boots with me
And fish the'ah incessantly
Now I'll leave Blighty just to be
At Vancouver's Jubilee.

By J. Booth
107 Gray St.
New Westminster, B. C.

I've travel'd far and wander'd 'round
But not yet have I found
A place to match Vancouver in the West
Sea beaches for a dip
Great scenery for a trip
The fishing hiking hunting is the best

Chorus

At Vancouver's Jubilee
Crowds happy and care-free
That's where you'll want to be
In the land of sport and of liberty
At Vancouver's Jubilee
We'll all sing in harmony
So take my tip and take a trip
To Vancouver's Jubilee.

By Henry V. Scott
876 Jervis St.
Vancouver, B.C.

There's going to be a Jubilee
We want you all to see
A thousand thrills Vancouver bids you share
So pack your grip and come
And help us make things hum
For all the friends you know will sure be there

Chorus

At Vancouver's Jubilee
Ten thousand things you'll see
Just take a tip from me
Come and join our dance and merry we'll be
At Vancouver's Jubilee
Such bands, floats, parades you'll see
So just leave home and say you'll be
At Vancouver's Jubilee.
