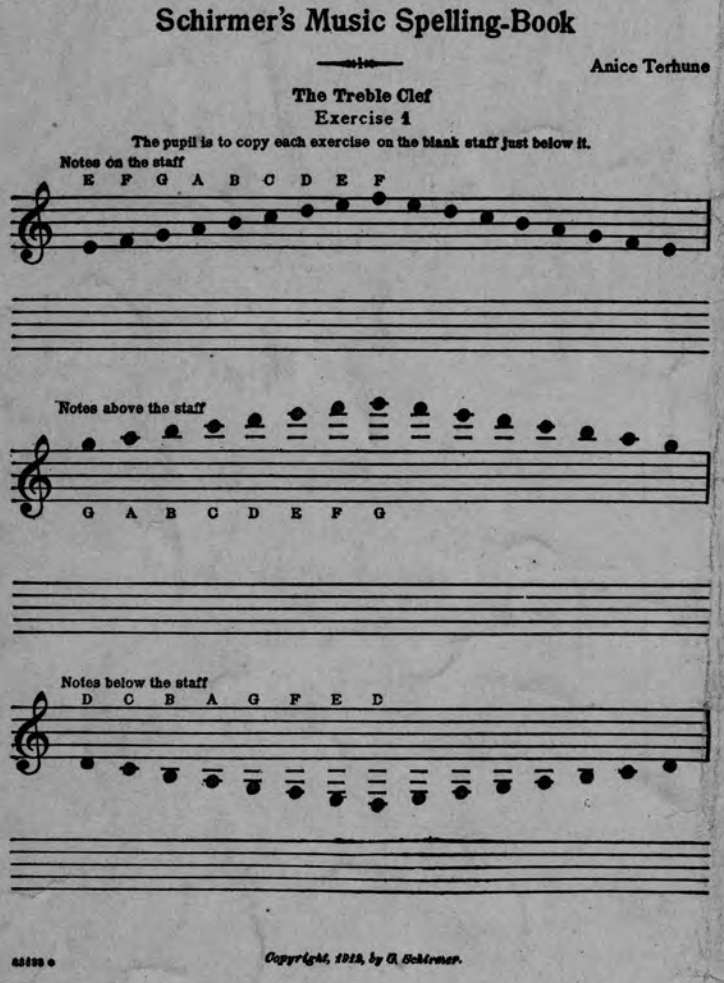
SCHIRMER'S MUSIC SPELLING-BOOK



A

SIMPLE AND STRAIGHT-FORWARD METHOD OF TEACHING BEGINNERS

BY

ANICE TERHUNE

Price *net* 30 cents

AS MRS. TERHUNE says in her preface, "*The Music Spelling-Book* is a magic book that promises faithfully to transform all the hard, troublesome, queer little notes into easy ones that will grow into pretty tunes within a very short time." And the simple and practical manner in which the problem of teaching the notes has been handled enables this volume to keep the promise it makes.

The different positions of the notes on, above, and below the staff are practised by forming note-words and sentences. This manner of learning the notes makes an immediate claim on the interest of the children, holding their attention, and enabling them to read in a very short time. The decided practical utility of the book cannot fail to commend it to every teacher of beginners in piano-playing.

LAMBERT'S PIANO METHOD IS THE BEST METHOD FOR BEGINNERS
