An - y one would fall in love with her, So I'm not real - ly to blame,
Not at all like oth-er girls you see, Just that plain old - fash-ioned style,
She won my heart in a day, When - ev - er I'm near her, I say :
We've promised nev - er to part, – Here's what I've said from the start :
CHORUS
Ma - ry - El - len, since I fell in – love with you,
p - f
– Think and dream of – you is all I – ev - er

do,
And the lov - ing look that lies
in your ro - guish eyes,
Thrills me, fills me with a
long - ing to make you mine; Ma - ry - El - len,
folks are
tell - in'
that there'll be,
Man - y

hap - py days in store for you and me.
All the pret - ty girls who used to flirt with me, Have as
much at - trac - tion as a bum-ble - bee, Ma - ry - El - len, since I
fell in love with you.
you.
