PRESS RELEASE

FASHION SHOW RETURNS TO GLENDON

It's back!

Another fashion show is currently under production at Glendon College spurred on by the success of last year's GRAFFITI. Sponsored by the Glendon College Students' Union, GAMES: Playing With Fashion this year pits fashion against a game theme that will truly reflect how much fun fashion can be on a student budget.

Artistic Director Steven Moore, who directed last year's GRAFFITI, has assembled some of last year's staff and models as well as even more, newer staff and models to provide a fresh, energetic approach. The multi-level set, complex lighting show and dramatic choreography will combine with memorable music that aims to give the audience a show they will never forget! Once again, the bilingual aspect of the show will add even more to make the show unique and reflecting Glendon's commitment to bilingualism.

GAMES: Playing With Fashion can be seen on two nights only: Wednesday November 21 and Thursday November 22 at 8:00pm at Theatre Glendon, 2275 Bayview Avenue (at Lawrence Avenue) for \$5. Ticket reservations and more information can be received by contacting Steven Moore, care of the Glendon College Students' Union at 487-6720.
