WHEN YOU CAME INTO MY HEART

Words & Music by
FRED C. SWAN

Moderato

mf

I sat with you, one eve-ning Not man-y years a-go
The years have pass'd, my sweet-heart My hair is turn-ing gray

mf

We talk'd of fu-ture hap-pi-ness that we both long'd to know
The sun-shine that you brought to me still shines up-on my way

Be-fore I met you dar-ling my joys were al-ways few
If days be dark and drear-y and nights are sad and long

But my life was turn'd to sun-shine as our love strong-er grew
I still have you with me dar-ling to cheer me with your song

rit.

CHORUS

You brought the sun - shine in - to my heart Turn'd all my sor - rows to

joys Your love to me as it strong - er grew Bright - en'd my

life as the flow - ers by dew You ban - ish'd all my cares and fears

You brought me smiles in place of tears You gave me all that I now re -

call When you came in to my heart. heart.
