The Housekeeper's Delight **and a Boon to Merchants**

THE WORLD'S ONLY DUSTLESS FLOOR BRUSH may be likened to this popular song; the more familiar you become with it the better you like it. Our Brushes are used in over 20,000 homes throughout the Dominion of Canada, and by the most up-to-date merchants everywhere. Are better and cheaper than Corn Brooms or Carpet Sweepers.

THE WORLD'S ONLY FOR ME
IT BEATS THEM ALL

It Brightens the Carpets and Disinfects as it Sweeps

No dust can possibly rise in the air when this brush is used. We have brushes adapted for all kinds of sweeping—bare floors, carpets, oilcloths, linoleum, polished and tile floors. Our brushes are cheaper than any other brush on the market because they are the best. *The Quality of our Brushes Remain Long after the Price is Forgotten.* We guarantee our Brushes to do exactly what we claim for them, if used according to directions, or will refund price. We were awarded the gold medal at the World's Fair, St. Louis, for the best sweeping device. Also diplomas at the Toronto, Ottawa, Sherbrooke, P.Q., and St. John, N.B., Exhibitions.
