STANDARD BVC EDITIONS

B.V.C. EDUCATIONAL LIBRARY

These books are crammed full of usable, up-to-the-minute helps for the musician who wants to improve his style and technique. There is nothing academic in them—no theories are expounded—every study has been and can be used. Most of the material has been taken from recordings made by the artist. In addition, there is a practical example to show how the material may be used, and a complete chorus just as the artist plays it.
