AcTinSite (2020-2023).

AcTinSite Research Project Material

Infographic: Social Project Scan

Published February 2021

Summary

As part of AcTinSite's knowledge mobilization plan, we searched to find other researchers and organizations working on making Canada's workforce more diverse. We used this information to identify people and organizations that are helpful to follow or build relationships. The infographic shares some of the data we gathered.

Social Project Scan

A social project is a way of describing actions people, organizations, research, or government takes to create a specific change in society.

AcTinSite is a research project working towards making Canada's workforce more inclusive. We do this by taking actions that make it easier for students to get, and practitioners to provide, accommodations during educational placements.

Number of Organizations

We found 60 organizations working on the social project.

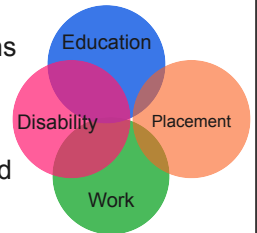

Organisation to Connect With

There is a total of 13 organization that AcTinSite could collaborate with.

- 2 Placement organisations
- 5 Disability Organisation
- 4 Education Organization
- 3 Work Organization

Organisation Themes

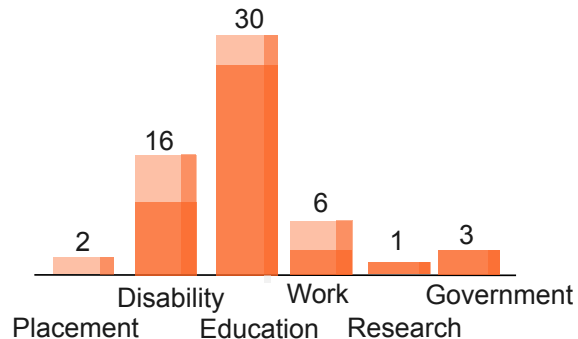

No organizations looked at disability, education, placements, and work

Number of Conferences

3 conferences we might present at or attend.

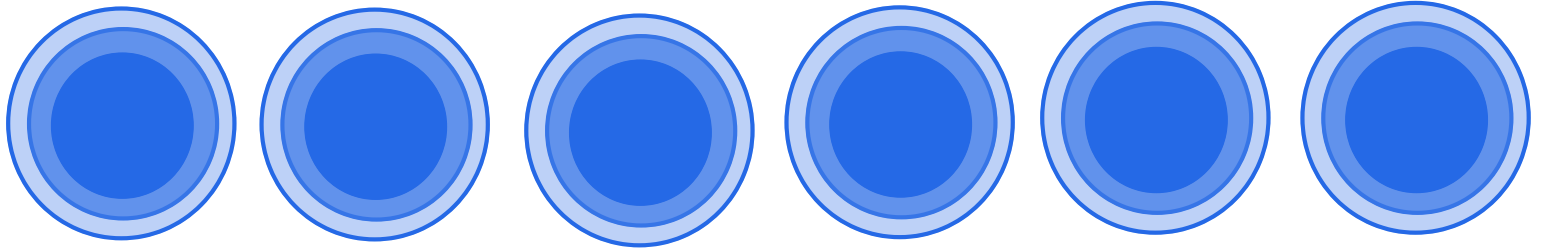

Number of Journals

3 journals we should think of applying too
