# The Fridge Festival

## A Word on the Fridge Festival

The Fridge Festival is a time honoured tradition here at Theatre Glendon and is celebrating 28 years of amazing student talent. Coeur de Lion Productions, Glendon's very own Drama Club, is running the festival for the third year running. Le festival se vante, comme toujours, des productions écrites, dirigées et jouées par des Glendonites et, comme toujours, les productions sont absolument magnifiques. Every year we are blown away by the talent that our fellow students have to offer, and this year is no different. *A New Kind of Tea Party* explores a modern day Alice in Wonderland, because who drinks tea anymore? *Impro-wrestling* is an improv showdown between the Starblazers and Plastic Diamonds, so get ready to vote for your favourite team. Not to mention *The Drunken Reflection* which explores the story of an uncle with an alcohol problem and *The Deadly 7* a modern day take on the seven deadly sins, each character embodying a sin. So hold onto your hats because you're in for a rollercoaster tonight!
