hear a tune. I think the man who owns it has the right idea. He
musical feet? The music seems to permeate the kitchen too!
The

feeds the empty stomach and he pleases the ear. The only reason that I eat there
cook begins to dance while he is stirring the stew. Oh, every-body's just as happy

every night. Because the music seems to help my appetite.
As can be. Waiter take another order. Bring the check to me.

Gee! That's fine! Oh, strains divine! Every-body orders twice. I'm going to buy wine!
That's immense! My brain is dense! Music makes me feel as if I've got no sense.
CHORUS

Oh when that orchestra starts in a playing you can see everybody present swinging and swaying, You can hear knives and forks beating time on the dishes, See the waiters running with the steaks and fishes, When you hear all the boys and the girls harmonizing, Lordy
me but the swing of the tune's appetizing! I could
never explain the way that I feel! Wait until they play another,
you'll forget your home and mother Gee! but I like music with my
meals.
