Andante Modo

Sometimes I think our love is like a dreamy Southern sea, Where
I often dream that you and I are on a coral strand, But

ev'ry thought is like a wave that ripples back to me. But
roses never droop or die in my sweet vision land. And

if a storm should ever come across our sky of blue, My
as we watch the breakers dash upon the rocks of gold, I

true love boat would keep a float, for I would come to you.
never fear, for you are near and your dear arms enfold.

REFRAIN

You are my Harbor of Love, dear,

You are my bright gold en sea.
Just like a star that beams from afar, You are a guide to me (for I love you) Thro' darkness your love light is gleaming,

Bright as the Sun high above I have no fear when storm clouds appear, You're my Harbor, my harbor of love.
