Chorus

In a lit-tle Two by Four for Two, Gee but I'd be

happy there, with you. By a lit-tle wa-te-r-fall,

We can build our cot-tage small. Where our lit-tle dreams will all come

Moderato

Come sweetheart mine,  
Don't sit and pine,  
Tell me of the cares that make you feel so blue.

Birds in the trees,  
Whis-per-ing breeze,  
What have I done?

So tell me why  
An-swer me Hon',  
peace-ful dreams.

Sit-ting at the win-dow where the pale moon beams,  
Have I ev-er said an un-kind word to you?

You should-nt grieve,  
My love is true.
And just for you,
Try and believe,
I'd do almost anything at any time,
Life is always sunshine when the heart beats true;

Dear, when you sigh
Or when you cry,
Be of good cheer,
Smile through your tears,
Something seems to grip this very heart of mine.
When you're sad it makes me feel the same as you.

Chorus

Come to me, my melancholy baby,
Cuddle up and don't be blue;
All your fears are foolish fancy, may be,

My Melancholy Baby 3
You know, dear, that I'm in love with you.

Every cloud must have a silver lining;
Wait until the sun shines through.

Smile my honey dear, while I kiss away each tear,
Or else I shall be melancholy too. Now won't you too.

DREAM RIVER

Chorus

Drifting with you along Dream River,

Out where the moon beams softly play
As we count the

stars together, All of my cares will fade away

Drifting with you along Dream River,
