## INTRODUCTION

This guide lists the microform sets in the Scott, Frost, Steacie and Government Documents/Administrative Studies Libraries at York University. For the purpose of this guide microform sets have been defined as:

1. microform editions of composite sets
2. separately published works collected by the microform publisher
3. manuscript collections in microform.

The guide is divided into two parts. The first part consists of an alphabetical arrangement (by main entry) of the sets housed at the Scott, Frost and Steacie Libraries followed by author and title, and subject indexes. The second part of the guide consists of an alphabetical arrangement of the microform sets housed at the Government Documents/Administrative Studies Library.

Each entry is comprised of details regarding bibliographical access, call number, format and location. Where possible, information regarding subject coverage has also been provided.
