TWILIGHT

Just for an hour,
Just like a flow'r,
You bloomed alone, dear, for me.
Somehow, it seems,
Fate with her schemes,
Tried to undo all my dreams.

Twilight, twilight took you away,
Left me praying both night and day;
Stars bright, moon light answered my plea,
Twilight, tonight, brought you to me.

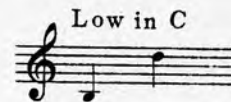

Days meant despair,
Naught made me care,
Life held no charm and no thrill.
Sunset, tonight,
Set things aright;
My hopes are once again bright.
