WHEN DAFFODILS UNFOLD.

WORDS BY AUGUSTA HANCOCK.              MUSIC BY EDITH A. DICK.

Voice.  Allegretto Gioioso.

Piano.

Sing me a song of sunshine, Of birds upon the wing!
Of little laughing breezes, That fan the happy Spring!
Sing me a song of gladness Of flow'rets on the

wold, Where primrose stars are gleaming And daffodils un-

fold, And daffodils un-

fold!

(J.B.C&Co 10564)
Sing me a song of morn-time, With sapphire skies above!
When all the woodland echoes softly, softly

Ring out in sweetest love! When nodding buds and blossoms bid
welcome unto day And Spring's sweet sovereign passes, A-
Sing me a song of love-light, All in the golden dawn, When whispering winds pay homage, Un-

_--to the ro-sy morn _ When wood doves coo sweet e--choes, And

(J.B.C&c: 10564)
tender tales are told
Then sing of love and

ness, When daf...dils un...fold!

When daf...dils un...

Dim: molto rall...

--fold!..............
