Where Love Waits

Where Love goes wandering
Down the dreaming valley.
Laughing, singing in the valley,
I may never be.

But where Love is watching,
But where Love is waiting,
Watching, waiting on the hill-tops.
I shall be.

Eyes that yearn to meet thee,
Hands outstretched to greet thee,
When at last thou comest weary,
There I'll surely be.

I may never be,
But where Love is
watching
But where Love is waiting
Watching, waiting on the hilltops
shall be,
Eyes that yearn to meet thee,

Hands out-stretch'd to greet thee,

When at last thou comest weary,

There I'll surely be.
