Moderato

By GUS KAHN & ISHAM JONES

Close of day, finds me drifting far away
Where an Oriental sky,

Smiles on my dreams.

Love commands, calling me to

distant lands, And I see my loved one's hands beckon it seems.

Love of mine, Do you ever long for me

While you drift where the moon-light beams.

CHORUS

Lady of the Nile, When shadows fall,

Lady of the Nile, Do you recall,

How you stole my heart, With just a
In your land of love and sweet romance,

Lady of my dreams that won't come true,
Still you seem to say, The long years through,
Maybe after while Lady of the Nile,
You may learn to love me too.
