Moderato

Did you not see the tear-drops fall
Did you not hear him sigh that eve

ing, As he passed a long your way,

Did you not see the longing in his eyes of blue,
Did you think 'twas for some-one, some-one else not you.

All for a little girlie, just like you.

'Twas for a little girlie, just for you.

CHORUS

Someone is crying over you,

Someone's heart is yearning,

Yearning night and day

Someone is crying over you
when you're away,

Tears they are falling,

mate is somewhere calling,

someone is crying over you,

Someone is crying over you
