Allegro moderato

Brown went around to all the dances in town,
round in the town all loved to dance with young Brown,

Most ev'ry night or so
But they all knew Miss Pearl

Valse Moderato.

One little quarrel and two sweethearts parted,
Just a few hours and troubles are ended,

He's sad and lonely and she's broken hearted,
Two heads are bowed down in flowers and broken hearts mended,

Both race to meet at the shame,
Both think that they are to blame,

He calls her up after one week of sadness, He murmurs
He looks so happy, and she looks so thankful, He murmurs

sweetheart I can't live alone, I must have you, maybe
sweetheart I've come back to stay, She whispers dear, I am

you're lonesome too, And the girl answers back on the phone:

so glad you're here, You can chase all the shadows away:

CHORUS

The chairs in the parlor all miss you, The pictures all frown on the

wall, The flowers won't grow, for they seem to know, And the
sun-shine won't come in at all. Our little canary won't sing any
more, The folks ask me why you don't call. Our whole house is
blue, they want you only you, But I miss you most of all.

CHORUS

I'm crying 'cause I know you'll break my heart
I'm crying 'cause we're drifting far apart
I'm crying for a little love that's true
Like I gave you, I want it, I want it. You used to want it too,

I'm crying 'cause you're acting mighty strange
I'm crying just to think how
