There was a fire burning
I left you laughing when I

Your love and kisses gave that flame a start,
I put it out with my tears;

How much relief I found when I could cry,
I cried my heart out for you;

You don't remember, I can't forget,
I've loved you more than you'll ever know,

That old affection lives with me yet,
I keep on longing,

Tho' years have passed I've wanted you so,
Bring back the old love,

To my regret,
I know I can't forget,

Let new love grow, come back and whisper low.
CHORUS

There's a little spark of love still burning, And yearning down in my heart for you, There's a longing there for your returning, I want you! I do! So come, come to my heart again, Come, come, set that love a-flame, For there's a little spark of love still burning, and yearning for you. There's a.

"I Want to Be There"

"THERE" means where you were born. "I Want to Be There" is not just "another" home-town song. It's a bigger and better home-town song than was ever written before. Recalls to every mother's son and daughter the happiness of play-days—the ecstasy of love-days. It's a safe bet that "I Want to Be There" will knock the sales-records sky high. Why shouldn't it? It takes you home—to mother—to the old dog Rover—and to that "face so pleasin'"—OF COURSE you want to be there. Today's the day to get your copy. Lyrics by Grant Clarke; music by Jimmie V. Monaco. Introduced and featured by the inimitable Bessie Wynn.

"My Own Venetian Rose"

It's like "gilding refined gold" to attempt to praise this newest love song with superlatives of speech. Suffice it to say that the words and music are by Al. Plantadosi, Jack Giogau and Joe McCarthy. "My Own Venetian Rose" is the song that Mac Francis loves to sing. It's the song that YOU will love to sing. AND DANCERS!—here is good news for you! It is also published as a waltz under the title of "Venetian Rose." Get your partner quick when you hear this Hesitation of Hesitations. It's the dance "hit" of New York and Palm Beach. A haunting, resistless theme. You can't keep still when you hear it.
