Moderato.

"Now listen, my daughter," said
We know there's a rose in this
old farmer Lee.
This world can be made what we want it to be.

And every thing grows just like peaches and pears.
We wish for the things that were really denied.

Even our sorrows and cares
That's why we're not satisfied,
Remember the sun shine was made for us all
The rich and the poor and the
den and you own a part
And each day is sunny with
big and the small
When you fall in love dear with somebody nice
love in your heart
The city folks say that we farmers are fools
Remember your Daddy's advice.
But dearie just follow these rules.

If He Looks Good To Mother etc. 4
