CHORUS, Moderately Slow (with expression)

My Greatest Mistake was falling in love;

Falling in love with you.

My Greatest Mistake was dreaming of you and

thinking my dreams would come true.

It was
easy to see you never loved me. Though I hoped and I prayed some day it could be. My Greatest Mistake.

my greatest heart-ache was falling in love.

with you. My you.

These books are crammed full of usable, up-to-the-minute helps for the musician who wants to improve his style and technique. In addition, there is a practical example to show how the material may be used, and a complete chorus just as the artist plays it.
