Where you all a go-in', Take an-oth-er dance, What's the use of blow-in',

Dress up in your best, Just look cute an'eun-nin', Bring your dan-cin'
Let me have your hand, I will lead you to it, To that "cat-er-
shoes a-long,

pillar crawl.

Hear that band a play-in' raggy tunes,

Let me tell you how I love you dear,

See those funny coons, Aint they crazy loons, Lead me! lead me!

While we're dancin' here, And I have you near, I could dance, right

to that music grand, Don't you understand,

Do the on forever Hon, with you by my side, At the

cat ball! Do the cat, Do the caterpillar crawl!

At the ball! At the caterpillar ball!
