You can see them do it in a dozen ways,
Just because you've learned to snap the same as they,

Something I can teach you mighty quick,
Do when they are snapping good and loud,

Up your ears and open up your eyes,
Doesn't take a penny from your purse,

After I have helped to put you wise,
Get together and we'll all rehearse.
CHORUS

Do it with me,  Do it with me,  You'll

learn it quicker than you did your A, B, C, Get a syncopated melody and hum, Place your middle finger up against your thumb, and let it

snap, snap, snap, snap, Now you know just what I

mean, Let's try it, but, Do it with me, Do it with me,

Do it all together, now when I count three. One, get ready,

two, hold steady, Three, now let her go, so, Snap, snap,

snap, snap, Ev'ry bod-y snap your fin-gers with me._

me._

CHORUS

Now ev'-ry night he goes o-ver, o-ver, o-ver, o-ver the gar-den

wall, Be-side the morn-ing glo-ries she is wait-ing,
When he gets on the oth-er side, be-fore he gets his breath, She breaks his fall and that's not all, She

loves him half to death, But ev'-ry night he goes o-ver, o-ver, o-ver, And
