When I Listen To The Sunset Chimes

By Leo. Wood, - Author of "You Broke My Heart To Pass The Time Away"

CHORUS

When I listen to the sun-set chimes,
Memories of old-en times

Come to me, and then once more I see
Childhood scenes that were so dear to me;

The little village church
With the ivy climbing all around,

There my thoughts will roam
To the place that I called home.

When I listen to the sun-set chimes.

When I listen to the sun-set chimes.
Fido Is A Hot Dog Now.

Moderato

We had a dog named Fi-do, That I liked very much, I
never had a bur-glar, They wouldn't take a chance, 'Cause

used to spend all my dough, For pup-py cakes and such; Our
they know lit-tle Fi-do Would hang on to their pants; I

fam-ily learned to love him, To our hearts he was en-deared, But
used to love bo-log-na, 'Twas the on-ly meat I'd get, But

now they're gone in mourning, 'Cause poor Fido's disappeared.
now I cannot eat it, It reminds me of my pet.

CHORUS

But I won't look all over, the way they did for Rover, 'Cause

I know just where little Fido's gone, (Poor dog!) He's

in a place below, where all the naughty doggies go,

Down, down, down, where there isn't any snow, Tho' his hair was short, and his tail was long, I miss the little devil somehow, bow-wow, But He's he won't get cold feet at that, There's too much mustard where he's at, Fido is a "hot dog" now. But now.

"KATHLYN"
Hesitation WALTZ Valse-Boston

The Greatest Song about the Greatest Game in the World

"Our next song!"—said Al Plantadosi and Joe Goodwin, authors of "That's How I Need You" one of the few really great Ballad successes—"must be still greater!"

This seemed like painting the lily. But that is exactly what this rising team of writers have done. "When You Play in the Game of Love" is one ballad in a thousand. As old as is the "Game of Love," never before have its smiles or sorrows been portrayed so naively, so ingeniously, or set to such heart-felt Arcadian-simple melody as in this latest ballad-hit, "When You Play in the Game of Love."

REFRAIN

Some-times it's joy for the girl, sometimes joy for the boy. Then blue, as the skies up a love. Sometimes you're sad, sometimes you're glad, when you play in the Game of Love.

The "Movie" Sensation becomes the Waltz Sensation

Are you one of the hundreds of thousands who can hardly wait for next week to come, when at some moving picture theatre you are held spell-bound as Miss Williams unfolds the story of Selig's spectacular $140,000 serial Photodrama— "The Adventures of Kathryn?"

"We've dedicated a Waltz to Miss Williams. We've named it 'Kathlyn.' A Waltz to be so named had to be a great Waltz. It IS. Miss Williams calls it "HER Waltz." As a HESITATION or VALSE, it has the Rhythm dancers are "hungry" for.
