The Waltz We Love

Dreamily

Dawn is near and still we hear a melody
Lovers true just like we two, love melody

Sweet refrain that haunts us night and day
Haunting strains that float on fancy's wing

Makes me hold you, press you close, so tenderly
Hear the music playing so bewitchingly

Come long to dance with you my dear, for ever and aye,
Let me tell you of my love while we dance and sing

CHORUS

Let us waltz once again, you and I,
The waltz we love,
We will sway, you and I while the moon
shines from above, Every note seems to float on the air like a sweet memory

Glide on till the dawn, while we dance the waltz we love Let us love.
ANOTHER INSTANTANEOUS SUCCESS

"SINCE YOU CALLED ME SWEETHEART"

Read This—It’s Interesting

THERE seems to be some sort of magic charm about the song "LET ME CALL YOU SWEETHEART," for it has actually established two conditions hitherto unknown in the music world. In the first place "Let Me Call You Sweetheart" is the first and only song that has ever "come back" into a second wave of popularity. It was one of the big song hits of 1911 and is now once again the biggest selling popular song on the market.

This fact has caused two of the best known popular song writers to write an "answer song" entitled "SINCE YOU CALLED ME SWEETHEART." Here is where the second unheard of condition comes in for while every previous "answer song" written in the past twenty-five years has fallen flat and been a failure this new "answer song," "SINCE YOU CALLED ME SWEETHEART," has met with instantaneous success and now looks as if it were going to equal the success of the original song. Perhaps it is the beautiful simplicity of these two melodies coupled with the clean wholesome words that has made both of these two songs such big successes.

If you have a copy of or know "Let Me Call You Sweetheart" we know you’ll want this "answer song." Try over the lines below and then see that you get a complete copy the next time you are near a music counter.

CHORUS

Since you called me Sweetheart, Since you answered "Yes!"

Life has changed from sorrow, and all is happiness—Since I saw the

love light in those eyes blue. Since you called me sweet hope I have

A SONG WITH A REAL HEART STORY

"IT'S TOO LATE TO BE SORRY NOW"

HERE is another one of those life-interest songs that actually grip the heart strings until you can almost imagine yourself to be the person about whom the song is written. In this song the wonderful pathos of the words fits so well the soul-stirring melody that you'll never tire of singing it. It is easy to play and yet so tuneful that we know you will not be happy until you have a complete copy in your music collection.

The regular copies have Ukelele accompaniment and it is also published for Quartette and Orchestra. Just try over the lines below.

CHORUS

But it's too late now to be sorry Sorrow could never repay For I played the fool, for a fool there was And you stole the sunshine away. You remember I tried to warn you.
