Till ready

Days are long, things go wrong, I'm just as blue as I can

be

It's so bad, drives me mad, to love you when you don't love me,

same

Gone it seems, all my dreams what matters now who was to blame

I have cried,

But we find,

I have sighed, now I know it's all in vain, so I say go your way, I'll nev'er weep for you a-gain.

time is kind, and th' tears now fill my eyes, Life may be sweet to me and cloudless yet may be th' skies.

What's the use of crying? What's the use of sighing?

Though there's no denying that I'm long-ing for you

You were so deceiving I was so believ-ing

That is why I'm grieving, Why I'm lone-some and blue
But you'll be sorry, somewhere some day.

Then just remember, you taught me to say,

What's the use of crying, what's the use of sighing,

What's the use of trying, just for someone like you?
