Open Access = No Copyright?

• Open Access does not necessarily mean feel free to...
  – copy
  – reuse
  – distribute
  – Modify
  – …
Open Access & Copyright

- Copyright is a bundle of rights…
- Open Access is made possible when copyright holders transfer / license some or all rights and retain some or no rights
The Different OAs…

• Green v. Gold OA
• Gratis v. Libre OA
  – The two degrees of OA
  – the “removal of price barriers” and the “removal of permission barriers”
