"FALLEN LEAF"

A companion piece to that other Indian Love Song which has become an immortal classic, "PALE MOON."

"FALLEN LEAF" is equally characteristic, has a mellowness which makes an immediate and indelible impression and in its own right possesses a rhythmic quality that adds to its charm.

The accompaniment, like all of Logan’s harmonizations, is pianistic yet playable at sight. — 3 keys.

It seems like a year since I've seen you, dear, Yet I know it's been only a

day, But the hours seem long, and the world goes wrong, For it's empty with

you away; And I wake from each dream of your loveliness, To
